

# Kaptika™

## Focused on the essentials

# Focused on simplicity: 1 Cat.No = 1 complete product

One catalogue number = one complete function (mechanism + plate in one piece and cover plate)

## Simplicity on a daily basis

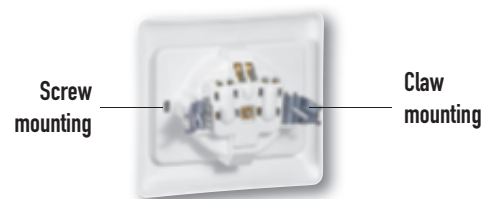

### Simple to choose

- 1 Cat. No. = 1 complete product
- 2 colours, white and ivory

### Simple to sell

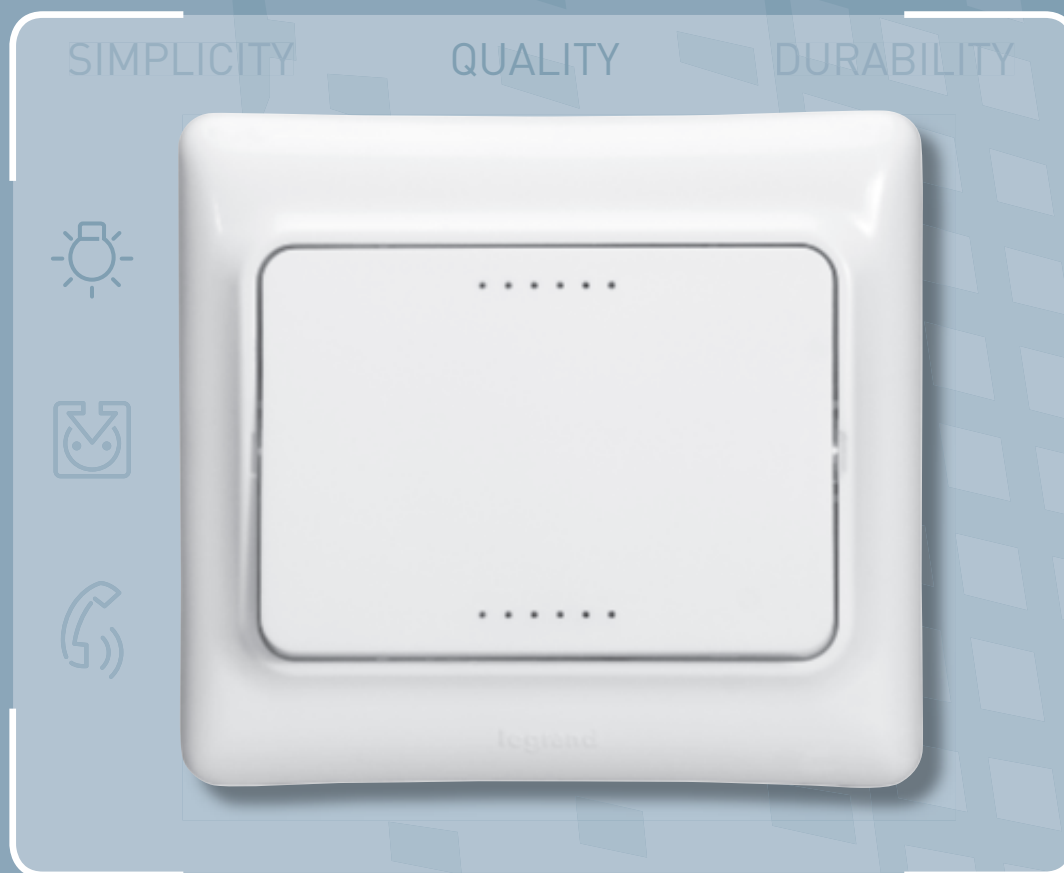

- Each product visible and individually protected
- Easy to count out in strips of 5

### Simple to install

- Claw or screw mounting (claw screws reusable)
- Slim mechanisms

# Focused on quality: standards compliant

Kaptika switches comply with standard IEC 60669-1

## Quality on a daily basis

### Compliance with standards

- › The Kaptika™ range meets NF requirements.
- › Compliance with IEC 60669-1:  
The switches in the Kaptika™ range have been tested at 40,000 operations for incandescent and 10,000 for fluorescent for assured reliability.
- › Compliance with IEC 60884-1 for sockets.

### Compliance with the CE directive

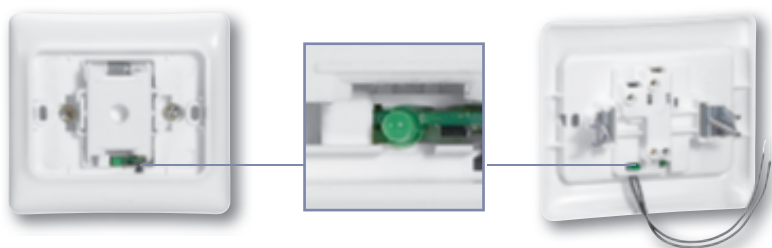

- › The Kaptika™ range complies with all safety guarantees.  
It has been tested in our laboratories.  
Its reliability is assured by internationally acknowledged expertise and compliance with applicable standards.

# Focused on durability: LED indicator light

All switches with indicator lights are equipped with green LEDs

## Commitment to a sustainable future

Prewired green LED indicator light. Long wires for easy wiring.

› Switches with LED indicator lights are environmentally-friendly, low consumption (1 mA) and have a longer service life than those with a conventional indicator light.

# Focused on the essentials: lighting, connection and communication

	SIMPLICITY	QUALITY	DURABILITY	
	 Switch	 Switch with LEDs indicator	 Double switch with or without LEDs indicator	
	 2P socket	 2P+E socket	 Cable outlet	 Double 2P+E socket
	 RJ11 telephone socket	 Television socket		

Products shown in ivory finish

## IDEAL FOR ALL TYPES OF HOME

› Kaptika™ is a new range of electrical wiring accessories, specially created for all types of home. It provides you with all the essential functions: lighting, connection and communication.
